

ATTENDING A TRADITIONAL AUSTRIAN BOARDING SCHOOL STUDY PROGRAMME FOR INTERNATIONAL STUDENTS (ISP)

During the academic year 2024/25, the "Theresianum Academy" in Vienna will organise study programmes for students from all over the world lasting 5 or 10 months, **but always starting in September 2024.**

The idea is to allow international students (aged 15–18) to find out more about Austrian culture, to meet Austrians of the same age, to get in contact with Austrian families, to improve their knowledge of the German language and to live in a traditional Viennese boarding school among Austrians and other international students for a certain period of time.

Our international students will

- live in 2- bedrooms at the Theresianum
- follow the regular lessons of the grammar school (at the level of their age) and try their best according to their abilities, including writing home exercises and tests
- get a lesson of "German as a foreign language" and take the ÖSD (Austrian Certificate of German as a Foreign Language) exams at the end of their stay
- once a week: cultural programme
- have one individual lesson per week with their personal tutor
- get the chance to go to the theatre or the Opera once a month
- have the possibility to attend a dancing course at a reputable Viennese dancing school
- will have the chance to attend a skiing course which is usually held in spring
- be taken on one-day excursions each term to a major Austrian city (Salzburg, Graz, Innsbruck) or to Bratislava, Budapest and Prague, at an extra cost.

The registration fee for our International Programme is € 160,-.

The fee for one semester (September–January/February–June, i.e. 5 months) is € 10.315,-- (*subject to change*) and includes all the programme mentioned above except skiing and dancing courses, the fee for the ÖSD-diploma and entrance fees for cultural activities, which have to be paid extra. We need to obtain a personal reference from your Headmaster / Head of Modern Languages and we may ask you to come to Vienna for an interview.

Please register by the end of May 2024 for the 2024/25 programme.
