

ELDER PEOPLE AND CARES

COMMUNITY SERVICES

1. What is our
community service
about?

2. What have
we learned?

3. What service
do we provide?

4-Experiences

1. What is our community service about?

About **understanding** the situation of elder people in our neighbourhood.

About **creating bonds** with them by sharing time and experiences.

About **helping and supporting** in different **organizations** devoted to old people in the neighbourhood.

2. What have we learned?

— — —
Different organizations we have worked with
and from which we have learned:

Colla Cuidadora: support group for relatives
of chronically ill elder people

Ca l'abril: care self-managed work
cooperative

Emmaus: social lunchroom for economically
disadvantaged elder people

2. What have we learned?

— — —

Casal Loyola: NGO that takes care of different communities with special needs in the neighbourhood

Serveis Socials: Social Services State Agency. They help us contacting the organizations in the neighbourhood and organize everything with us.

3. Which services do we provide?

— — —
Social lunchroom: We help **servicing food** once a week.

EixDisco: We organize a **small bingo and dance party** with gifts for elder people once every trimester.

Christmas: We prepared **fun crafts** to decorate the social lunchroom.

Accompanying service: Interacting and spending time with the elders while accompanying and helping them in the **daily tasks**.

4. Experiences
