

READING CLUB

COMMUNITY SERVICES

1. What is our
community service
about?

2. What have
we learned?

3. What service
do we provide?

1. What is our community service about?

We have spent some time playing with students of primary schools (8-9 years old)
We help them improve their oral expression in catalan.
We make them read and play lots of games.

2. What have we learned?

We've learned :

- how are the 8 and 9 years old kids (3rd graders)
- how to work in group, how to organize, what's our role
- strategies to help the children to communicate correctly while talking about literature and characters.

3. What service do we provide?

We help the 3rd graders to improve their oral expression by talking about literature.

All this is done in a relaxed and affective environment.

Thank you!
